12th October 2026

Dear Year 5 Parents and Carers

On **Monday 16th November 2026**, the children will be taking part in a hands-on science workshop run by Explorer Dome.

The 'Space' show will be based on the following:

Explore the wonder of space inside the Dome, our Earth, Moon, Sun and solar system; how it moves and what we see.

The half-day workshop will take place in school. The children will be entering the huge Explorer dome, taking up half of our large hall.

The cost of the workshop is **£4.80** per child, payable on Arbor by Friday 13th November. If your child is in receipt of Pupil Premium Funding, you will need to pay **£3.85,** and this will be reflected in your Arbor account.

Please note that this request is for a voluntary contribution and in no way represents a mandatory charge. We are very aware of the cost-of-living crisis at the moment. With this in mind, we will be limiting visits across the school this year. No pupil registered at the school will be treated differently, whether or not their parents have made any contribution in response to the request. Payment and consent can be made online via Arbor.

Kind Regards

The Year 5 Team
